

EUROPEUM Institute for European Policy is looking for research interns for our three research work programmes – Green Europe, Global Europe and Just Europe!

EUROPEUM Institute for European Policy is an independent, non-profit and non-partisan think tank based in Prague and Brussels. Focusing on European integration and cohesion, the **Institute** conducts its own research, organizes events for experts, stakeholders and the wider public, carries out advocacy activities and implements international projects. We strive to provide evidence - based research and recommendations for policymakers and thus help shape the EU's path vis-à-vis the Czech and Central European realities.

Who are we looking for?

- University students pursuing a master's degree or the last year of a bachelor's degree with a focus on international relations, European studies, political science, law or economics
- Fluent in English both written and oral (proficiency in Czech and any other language would be an advantage)
- Strong research, analytical, and writing skills
- Demonstrable interest in EU policy and institutions. Interest in topics such as climate policy, competitiveness, foreign affairs, EU enlargement and reform, digital transformation or migration welcomed
- Ability to quickly familiarize yourself with new topics
- Experience in organizing public events welcomed

What do we offer?

- Approximately 5-month internship, primarily in the small team of the specific work programme, as well as in the wider dynamic international
- environment of the Prague office of EUROPEUM (3rd of March 2025 – 18th of July 2025)*
- You will get a chance to participate in various activities related to European politics with specific focus on the Czechia/Central Europe, supporting our team in our research and advocacy activities, organizing events, monitoring EU policies, drafting communication materials, attending conferences
- Working in our Prague office (minimum 2 days/week)
- Fixed financial support**
- Possible extra remuneration for research and publication activities

What would you do?

- **Research support:** Cooperate closely with the Head of the chosen programme and its researchers and project managers on various projects and research tasks belonging to the workstream's area
- **EU policy insights:** Understand EU's inner workings through EU policy monitoring and team discussions. Understand the EU's legislative process, labyrinth of the trialogues and EP committee dynamics, and unravel the mysteries of Commission DGs.
- **Administrative activities:** Creating and maintaining a database of contacts, arranging meetings, assisting in preparing of events, discussions and private roundtables.

* Exact dates of the internship are negotiable

** Internship can be financed through the Erasmus+ and other programmes

If interested, please send your CV & a short motivation letter, and optionally an example of previous written works, to jobs@europeum.org before **21st of February 2025**/we accept applications on a rolling basis; applicants will be judged on the first-come, first-served basis. Please include "/name of Work Programme / Internship" in the subject line of your email and include information which programme you are applying for.

Interviews will be held on ongoing basis.
